Christmas Sing-Along

Fundraising

We were all very disappointed in our recent fundraising activities. Zion Pre-school really needs as much help as we can get, please remember we are a charity/committee run Pre-school, run by parents.

We raised the following; Orange day £11 and Guess the weight of the pumpkin £9.60. Thank you to the parents that did support us. We were also very sad to cancel our firework creative workshop due to lack of interest. We as a team are very open to any ideas and thoughts you may have to help us push forward. We really want to provide the very best for your children.

Reminders

Please encourage your children to use the hand gel outside Pre-school before entering.

If your child seems unwell whilst in our care, we will contact you to pick them up, we ask that if your child appears unwell or not themselves before their pre-school session, you kindly do not bring them in to pre-school.

We are taking precautionary measures as the number of Covid cases continue to rise.
